- Questions?** Call 510.473.2773 or email fussballcamp2020@gmail.com

Come join the fun of training and playing soccer in German. The training will be conducted in German by German native speaker coaches, including an A-Jugend Coach. Students will get age appropriate training, in line with their abilities, including technical training, strategy, small scrimmages, German soccer terms and fun activities. At the end they will play a small tournament and receive certificates of participation.

The Camp is organized by the German School of the East Bay, a California non-profit corporation.
